

**PRESS RELEASE**

## Kevin Davis Appointed as ProjectCentre CEO

**Sydney, NSW June 2009:** ProjectCentre announces the appointment of Kevin Davis as our new Chief Executive Officer. Kevin has joined the ProjectCentre team to lead the business through its next stage of exciting growth. This includes guiding our company to fulfil our strategic goals of becoming the market leader in providing online collaboration and project delivery solutions and advancing as a global brand. Kevin's knowledge and skills will be utilised to enhance our in-house operational resources, refine our structure to augment expansion, and to raise capital to fund our strategic growth initiatives.

Kevin brings vast experience to our team. He is the Director and owner of Private Equity Management Solutions Pty Ltd, a business established to provide practical corporate finance and business management solutions to entrepreneurial businesses. Prior, Kevin was the Chief Financial Officer and then Non-Executive Chairman of International Linen Services Pty Ltd, a private equity backed business serving the healthcare and hospitality markets in South Australia. Kevin also brings over fifteen years of professional experience in a range of corporate finance advisory disciplines from working with Ernst & Young and PricewaterhouseCoopers. These disciplines include mergers, acquisitions, capital raising and business performance improvement in both Australia and the United Kingdom.

ProjectCentre software is a web-based collaborative project delivery system, which offers project management, document control, contract administration, and financial management solutions. ProjectCentre was first released in 1997 and is now one of the leading collaboration systems for the construction industry within Australia and New Zealand. Our client base continues to grow internationally.

ProjectCentre is owned by CADX Pty Ltd., which is part of the Alsoni Group of companies in Australia. The Alsoni Group is a private Australian company.
